Weighted Admissions Score Sheet

STUDENT **STUDENT COLLEGE ID** **PROGRAM GPA** **DATE**

Students must meet the following pre-requisites prior to submitting an application packet: minimum Program GPA of 2.50 (4.0 scale), completion of HS Algebra or equivalent and HS Biology or Chemistry or equivalent, AHS 102 and AHS 104 with a grade of C or better. Applicants must use the GPA calculator on the SCC website to determine their program GPA, calculate their points on the Weighted Admission Score Sheet and provide supporting documentation for each score. The sheet will be verified by the Program Director. Students with the highest Weighted Admission points will be selected for admission, up to the maximum number of slots allowed. Incomplete or inaccurate score sheets will NOT be considered.

Criteria	Considerations	Scoring	Grade	Points
AHS 102 Medical Terminology	Review student's transcript to verify points	A=3 B=2 C or Tap Credit =1 D,F,W,WF=0 Exemption Exam =2		
AHS 104 Medical Vocabulary/Anatomy	BIO 110; or BIO 112; or BIO 210 plus BIO 211 together will substitute for AHS 104	A=5 B=4 C or Tap Credit=3 D,F,W,WF=0 Exemption Exam =4
