## The Campus

The Spartanburg Community College Tyger River Campus is conveniently located on Highway 290 in Duncan, S.C., two miles east of Interstate 85, just 15 minutes from downtown Spartanburg, and less than 30 minutes from Greenville.

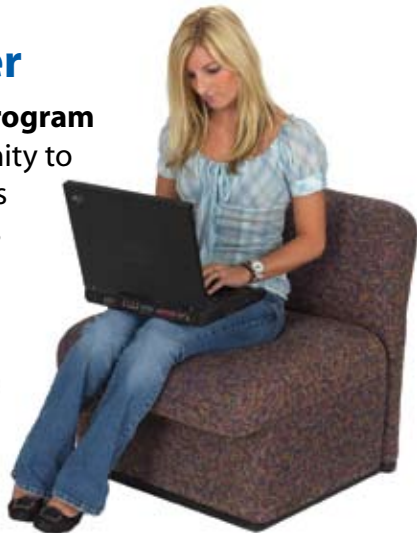

The campus offers a full array of courses required in many of the College's associate degree, diploma and certificate programs as well as continuing education and community interest training through the Corporate & Community Education Division.

## University Transfer

### SCC's University Transfer Program

offers students the opportunity to complete their first two years towards earning a bachelor's degree close to home at a fraction of the cost of larger universities. SCC University Transfer students complete core college requirements in mathematics, English, social sciences, humanities, fine arts and natural sciences.

Students are then able to transfer smoothly to a four-year college or university to complete their bachelor's degrees.

## General Education, Transitional Courses and More

SCC Tyger River Campus offers general education courses including mathematics, English, social sciences, humanities and fine arts as well as courses in medical terminology/vocabulary, accounting, management and computer applications. The Transitional Studies Department offers prerequisite courses in reading, writing and mathematics that may be required for acceptance into the College's curriculum programs.

## Online Classes

Students attending the Tyger River Campus can also earn college credit from home via online courses available through **SCCOnline**. Offerings include more than 70 online courses and several online degrees including associate degrees in art, management and interpreter training.

## High School Students - Best Start Program

Best Start is a dual enrollment program at SCC that offers high school juniors and seniors the opportunity to earn college credit while still in high school. The Tyger River Campus offers a variety of morning, afternoon and evening courses that can easily fit into a high school student's schedule.

## Continuing Education

SCC's Corporate and Community Education Division offers a variety of continuing education training opportunities for individuals and businesses. From one-day workshops for individuals to customized employee training programs for businesses, C&CE provides training today for tomorrow's job skills. The Tyger River Campus offers many C&CE classes including mechatronics, welding, Certified Nursing Assistant, truck driving, motorcycle riding and more.

## Economic Development

The SCC Tyger River Campus is home to the Center for Business & Entrepreneurial Development, a multi-use facility for new or expanding businesses and industry. The Center consists of four sectors—Small Business Incubator, Workforce Employment Services, Soft Landings and Special Projects. It is an invaluable tool for a qualifying business to develop a new company, jump-start an expansion or relocation, beta test a new product line or train new or existing employees on new products or processes.

## Student Services & Activities
