

LIBRARY

The SCC Library helps students succeed in many ways. We provide research and material to support courses, help from friendly staff, and a great place to study. Another one of our goals is to teach students how to find, evaluate, and use information appropriately so they can be successful in today's increasingly complex information environment.

The Library's 3 Locations

- Spartanburg (Giles) Campus (LIB, First Floor)
- Cherokee County Campus (PAB 103)
- Downtown Campus (EAC 223)

Visit our website to learn more about library services at other campuses, as well as assistance for distance and online learners.

Your SCC Student ID serves as your library card and is required for some services. Please make sure to bring it with you.
