Dear [*first name*],

You were eligible for assistance from the Higher Education Emergency Relief Fund III (HEERF III) under the American Rescue Plan Act of 2021 (ARP). These funds were disbursed to all students who were enrolled as regular curriculum students during the 2022 spring semester. The funds were placed on your student account the week of 04/18/2022. If you were eligible for a refund, checks and direct deposits will be issued within the next 5-10 business days.

You signed a HEERF III Balance Due Consent form which allowed your HEERF III funds to be applied towards any balance you owed for the 2022 spring semester. You may or may not have had enough HEERF III fund to cover the amount you owed. If you had enough funds to cover the amount you owed and there were funds remaining, you will receive those excess funds

Your disbursement information is listed below.
