

UNION CAMPUS

Located right off Highway 176, this campus serves as a catalyst for economic development through innovation, collaboration, and excellence in educational programs, services, and courses.

This campus offers traditional classroom learning with hands-on technical training in various programs.

Our Union Campus partners with multiple organizations to help residents access education and career training.

It offers an enriching dual enrollment program, providing high school students with a life changing opportunity.

1401 Furman L. Fendley Hwy, Union, SC 29379
