Cherokee County Campus Road Naming

Presented by Mr. Ethan Burroughs, VP, Finance

Mr. Burroughs reported that, over the past month, discussions have taken place regarding the need to assign official names to roads on the Cherokee campus, particularly the unnamed road located off Wheelchair Road. The absence of a formal name has created operational challenges.

It was noted that while a formal procedure exists for naming buildings, no such process is currently in place for road naming. In the interest of transparency, staff elected to bring proposed road names before the Commission for input.

The following road names were presented for consideration:

- **Chasers Way** – existing campus entrance road
- **Spark Drive** – planned road adjacent to the Cherokee Spark Center
- **Ignite Lane** – future truck access road connecting from Wheelchair Road into the Spark Center area

Mr. Burroughs indicated that these names align with campus development plans and the branding of the Spark Center. The proposed names have not yet been confirmed with the county; however, no conflicts are anticipated. Mr. Burroughs will complete the necessary verification process and adjustments will be made if required.

At this time the floor was open for questions or comments, none were put forth.

Chairman Keller thanked Mr. Burroughs for presenting the information.

Adjournment

Chairman Keller called for a motion to adjourn the meeting.

Motion: Commissioner K. Fowler

Second: Commissioner Hill
