PROJECT DESCRIPTION:

SCC is soliciting quotes for (1) Ford Transmission Cutaway Trainer such as:

Provide used or remanufactured Ford 10 speed transmission for a full cutaway of transmission and torque converter to display all internal parts. Internal parts shall be painted or coated with black oxide to prevent rust. Fabricated mounting brackets shall be included for tabletop display along with a custom built tube frame cart with lockable casters painted black. The cutaway will be used in classroom lectures and student assignments.

Offerors must complete the attached quote form and submit by 9:00 AM February 1, 2022.
