

Schools of Learning Computer & Engineering Technologies

HIGHLIGHTS & OPPORTUNITIES

Cybersecurity, graphic design, engineering technology, and programming are some of the exciting areas of study offered within the School of Computer & Engineering Technologies (CET). At SCC, you can start here and transfer to a 4-year university or right into your career in the fast-growing field of technology.

Job Opportunities:

- Electronics Technician
- Graphic Designer
- IT Technician
- Network Technician
- Programmer/Analyst
- Security Analyst

Program Highlights:

- SCC works to provide transfer opportunities with various 4-year colleges and universities.
- Students are provided access to state-of-the-art technology in SCC's classroom and labs.
- SCC now offers a NSF grant-funded Data Analytics program!
