

ATI TEAS® TESTING INFORMATION SHEET

Applicants for SCC Nursing Programs must take the ATI TEAS assessment published by Assessment Technologies Institute, LLC (ATI). The ATI TEAS test assesses the students' skills in the areas of reading, math, science, English and language usage. Research has shown that there is a direct correlation between ATI TEAS scores and a student's preparedness for early academic success in a nursing program.

Scores from the TEAS test will be used in the point calculations on the Selective Ranking Sheet. Students may take the TEAS test **3 times in 1 year**. It is recommended that applicants remediate and wait 2 weeks between attempts. There is a cost for the student for each attempt and the entire test must be taken each time. TEAS test scores are **valid for three (3) years** and may be accepted from other schools. TEAS scores must be sent to Spartanburg Community College to be accepted as official scores.

Please review the TEAS transcript section below. Minimum TEAS test requirements are subject to change each academic year.

Pre-Application TEAS requirements:

- ALL applicants must submit TEAS scores with their application. Only scores from TEAS VI/VII or the remote proctoring test, TEAS at ATI will be accepted.
- There is **not** a minimum score needed, but points will not be awarded for scores less than 60.
- TEAS test scores **MUST** be within three (3) years of application to the program. Example, if you are applying in May of 2022, scores must have been obtained after May of 2019. If scores are older than three (3) years, you must retake the exam.
- If you have taken the TEAS test at another institution, scores can be transferred. You must request an official transcript through the ATI online store to be submitted to Spartanburg Community College. These scores come directly to the Nursing Department.
