

SCC Financial Aid Office Update: CARES Act Information - 135 Day Update

Updated 11-01-2020

As of November 01, 2020, there have been not changes from the 09/17/2020 (90 day) update. Three checks have been determined to be undeliverable. Two of these are the result of the death of the student. The other was a result of undeliverable mail and the college was unable to trace down the student.

The return of the three checks, in the above paragraph, put a balance of \$903.60 back in the HEERF account which will be disbursed to other HEERF eligible students. Disbursements will occur once all the returned check issues have been resolved.

The Business Office has indicated the HEERF checks that were initially disbursed are scheduled to stale date towards the end of November 2020. The college will void any checks that stale date.
