TRANSFER STUDENTS

If you are currently attending another college in the United States and wish to transfer to Spartanburg Community College (SCC), notify your college's international office of your desire to transfer. Ask them to fill out and sign the "SCC Transfer Clearance Form" and send it to the SCC Enrollment Office. A copy of this form is included in this packet.

The SCC Transfer Clearance Form is a notification procedure important to the process of transferring your SEVIS records to SCC and the maintenance of your student status. Follow all of the other admissions procedures previously listed.

IMPORTANT: It is critical for you to continue your studies at your current school and maintain your status until you are accepted to attend SCC and your I-20 is issued. Failing to do so will cause you to violate your visa status.

Spartanburg Community College Change-of-Status

Students who need a change-of-status or an adjustment of immigration status to comply with government regulations should contact International Services for Advisement. The office can assist the student with the change-of-status process and/or issue documents that enable the student to apply for a student visa.

OBTAINING A STUDENT VISA

- 1. Obtain Form I-20 and a letter of acceptance from the school.
- 2. Pay SEVIS I-901 Fee. Payment must be paid prior to the visa appointment with the U.S. Embassy. For payment options and further information, visit: http://www.ice.gov/graphics/sevis/i901/index/htm
 Students are required to take a copy of the SEVIS fee payment receipt (showing proof of payment) to the visa interview.
- 3. Find the U.S. Embassy closest to your home at: http://travel.state.gov/travel/abroad_embassies.html. Check the consular site to see if there are any special instructions for the consulate you will be visiting.
- 4. Make an appointment with the embassy for the visa interview.

Arrival Information: At the port-of-entry to the U.S., the student will be interviewed again, and the Arrival/Departure Form I-94 will be issued. The earliest date of entry into the U.S. allowed is typically 30 days prior to the start date on your Form I-20. The student will not be allowed entry into the U.S. beyond the start date. The student is required to notify the International Services Office of arrival and make an appointment to complete U.S. Citizenship and Immigration Service requirements. An international student orientation will be provided before the term begins.

<u>IMPORTANT INFORMATION:</u> Spartanburg Community College will NOT accept faxed or photocopies as official documents.
