

COMMUNITY **SCHOLARSHIP** PROGRAM

Attend College in Union County Tuition Free!

Union County, along with its partners, Union County School District, the University of South Carolina at Union and Spartanburg Community College, propose to provide access to post high school education and training programs to ensure businesses have skilled workers and residents have the knowledge needed to compete for the jobs of today and careers of tomorrow.

In response to this critical issue, Union County leaders partnered to create the **Union County Community Scholarship Program** to address barriers to postsecondary education and critical shortages in Union County's workforce.

For more information or to inquire about eligibility, contact Cathy Freeman at (865) 466-1060 or email freemanc@sccsc.edu.

About the campus ...

Spartanburg Community College's Union County Campus

is conveniently located off of Highway 176 in Union and represents a collaborative effort between Union County

and Spartanburg Community College to provide educational and training opportunities close to home for local residents. The campus offers new and continuing students a combination of technical training and course work leading to many of SCC's certificate, diploma, and degree programs.

"This campus represents the core mission and vision of SCC, which is to change lives and build futures by acting as a catalyst for economic development through innovation, collaboration and excellence in our education programs and services."

Henry C. Giles, Jr. SCC President

"We are excited about the SCC Union County Campus and the important role it will play in preparing the citizens of Union County to fill high tech jobs of today and tomorrow."

Frank Hart, Union County Supervisor

Academic Offerings at the campus ...

Class offerings at SCC Union County Campus include:

- full certificates in welding and mechatronics,
- general education coursework required in diploma and applied science programs,
- coursework in health care careers,
- a variety of instructional methods including traditional and hybrid formats.

Continuing Education

SCC's Corporate and Continuing Education Division offers a variety of continuing education training opportunities for

individuals and businesses such as:

- one-day workshops,
- customized training programs,
- national certifications,
- business and workforce development services, and
- personal enrichment classes.

Student Services & Activities

The SCC Union County Campus provides opportunities students need for a successful college experience. Students can take advantage of multiple services and also have access to resources on SCC's central campus in Spartanburg. Services at the Union County Campus include advising, registration, business office, bookstore, career planning, financial aid and scholarship information, tutoring, computer lab, testing center and student activities.

Dual Enrollment

SCC's dual enrollment program offers high school juniors and seniors the opportunity to earn college credit while still in high school by enrolling in a variety of courses that easily fit into their schedule. Dual enrollment is a great opportunity because high school students can experience college before graduating from high school, get a head start on college classes, and save money on college tuition by taking classes early which could mean graduating from college early.
